## SVI GRAPHICS – CHEVRON MATERIAL OPTIONS

### DG3 DIAMOND GRADE 10-year warranty

- Highly reflective, micro-prismatic lens sheet that performs at all sight distances and angles
- Exceeds NFPA 1901 requirements and ASTM D 9456-04 Type IX specifications
- Single-panel sheet with pressure-sensitive adhesive, produced for specific dimensions and fast installs
- Available in red-yellow or red-florescent lime green

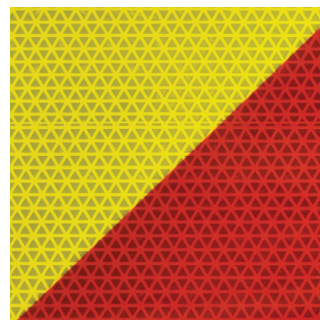

### 3M PRINTED REFLECTIVE 7-year warranty

- Printed on 3M Scotchlite IJ680CR, a highly durable, flexible and enclosed lens reflective sheeting
- Meets NFPA 1901 requirements
- Great for vehicles with slight body curve
- Achieve multi-colored markings; available in any color or NFPA 1901 red-yellow or red-florescent lime green

### ENGINEERED DIAMOND GRADE 5-year warranty

- Enclosed lens reflective sheet with pressure-sensitive adhesive backing
- Exceeds NFPA 1901 requirements and ASTM D 9456-04 Type IX specifications
- Single-panel sheet, produced for your specific vehicle dimensions and fast, convenient installs by your team or ours

### ORAFOL V98 REFLECTIVE 5-year warranty

- Tough, weather-resistant micro-prismatic, retro-reflective sheeting designed for rugged outdoor use, especially on industrial equipment and the sides/rear of vehicles
- Meets NFPA 1901 requirements
- Easy one-piece install, per direction, produced specifically for your vehicle dimensions
- Available in red-yellow or red-florescent lime green
